Instructions:

1. Print the coupon book template on stock paper.
2. Cut along the dashed lines.
3. Use the blank template to create a personalized coupon you want to give your mom.
4. Stack your coupons in any order, but make sure to put the cover at the front.
5. Staple them along the left side twice, or just place them in an envelope with your Mother's Day card.
6. Give the coupon to Mom and tell her she can redeem the coupon any time she wants.
